HEAT ADVISORY

The weather is heating up and temperatures are inching closer to 100 degrees every day. Don't forget to drink lots of water to stay hydrated. If you're going to be outside, use that Sunscreen to protect your skin!

Idiom of the Week:

Under your skin : if someone gets under your skin, they really annoy you.

"Man, it really gets **under my skin** that my roommate leaves his socks in the kitchen."

Did you know?

Sunday is Father's Day in the U.S. It is a tradition to call your father, send a greeting card, or give a small present to celebrate your dad!

In English, there are many synonyms for "father": dad, daddy, papa, pa, old man, pop and pops!

Quote of the Week

"Life moves pretty fast. If you don't stop and look around once in a while, you could miss it!"

- Ferris Bueller

SUMMER FUN

Is this your first summer in Texas?
Here are some great places to visit around the state and "off the beaten path".

1. **Wimberley**—Wimberley is a little village in the Texas Hill Country, situated an hour's drive to either Austin or San Antonio. Wimberley is conveniently located to many Hill Country attractions and is home to a host of specialty shops and restaurants.
2. **Port Isabel**—Originally known as "Point Isabel" this seaside town and its famous lighthouse date back to the early 1800s. Today Port Isabel, which is located just across the bay from South Padre Island, is home to a variety of museums, restaurants and curio shops.
3. **Jefferson**—Home to Caddo Lake and nearby Lake O' the Pines, Jefferson is located near the Texas/Louisiana border and is widely known as the "Bed and Breakfast Capital of East Texas."
4. **Marfa**—Home to the mysterious "Marfa Lights," the tiny West Texas town of Marfa plays host to thousands of visitors annually, who come to watch this unexplained nightly light show. Although the lights have been viewed practically every night since 1883, no one has yet been able to explain why they occur.
