

## Custom-Designed Tutorials

TIEP offers customized, one-to-one English training for international students and professionals. Advantages of an individual tutorial at TIEP:

- Maximum progress with low teacher-student ratio
- Expert, flexible instruction that constantly adapts to a student's individual level of English proficiency, needs, and interests
- Custom-designed to meet a student's specific interests, for example:
  - Business English
  - Academic English
  - General English
  - Pronunciation
  - Conversation skills
  - Public speaking
  - Test preparation, including TOEFL, TOEIC, IELTS, SAT, GRE, GMAT
  - Advanced writing and grammar
- Certificate awarded upon completion of a tutorial
- Assistance with accommodations, if needed (with a fee: \$85)
