Two chances to get QUIET this weekend

The Belmont hosts Quiet Clubbing

Fri, Nov 9, 10:00 PM

- 21+ only w/Valid ID
 - Limited tickets available at the door
 - Dress code: Relaxed; jeans and sneakers are fine
- Your experience includes:
- A pair of Quiet Events headphones
 - Glow in the dark gear
 - 3 DJs battling for your attention

What to bring:

- You MUST have a credit or debit card for the check-in process. If the headphones are NOT returned, there will be a \$100 charge to your credit or debit card after the event.
- No need to print your ticket, just show the code on your phone or they will have your name at the door.

How it works:

When you arrive you'll receive a pair of special wireless headphones. You can adjust the volume and choose between up to three DJ's with a flip of a switch. Each headset has a color LED that shows what channel you are listening to, so you can dance along with those listening to the same DJ as you. It's super social; just lower the volume or take the headphones off to talk to that girl or guy. There's no loud music that you have to talk over. Plus, there's no ringing in your ears when you leave!
